

FLEXIBLE LEARNING DAY ASSIGNMENTS

In the event that the students are home for a “SNOW DAY,”
Please have your child complete the following assignments:

- Read a book for at least 40 minutes (more is better!)
- Write a short, well-written summary (3-4 sentences)
about what they have read. Have them read this to you.
- Practice multiplication and/or division facts for 30 minutes.
- Practice your spelling words.
- Have your child pray and study their religion study guide.

After your child has completed these assignments, please sign and return this paper to the school for attendance verification.
