A NOTE FROM MRS. PETERSON

Dear Parents and Guardians,

This coming week is Volunteer Appreciation Week. We would like to take this opportunity to thank all the amazing families, parishioners and community members who volunteer and give of their time and talents to all of us at HFS.

We are fortunate to have the Foster Grandparent Program at our school. Grandma Marilyn, Grandma Myrna, Grandma Anna Mae, Grandma Pam, and Grandma Judy work with the children three to five days a week. Kathi Primus can also be seen most days assisting in the library. They bless us in so many ways.

The classroom teachers have volunteers who help weekly or when projects or special activities take place. We also have fantastic parents and volunteers on the School Board, on special committees and fundraisers, Scrip, Marketing, PAC, Outdoor Helpers, Home & School and Endowment.

Finally, we have a large group of dedicated volunteers who lend a hand daily, weekly, and when needed in our school lunch program. They serve with a smile.

To each and every volunteer, we thank you. Have a wonderful Volunteer Appreciation Week!

May God bless you,
Mrs. Peterson and Staff at HFS

OTHER IMPORTANT NEWS

- LENTEN ACTIVITIES - The students continue to do daily activities and prayers that help them walk and grow with the Lord this Lenten Season. There are also many activities and prayers we can do at home with our children. Please take note in the parish bulletin and in our calendar of Penance Services, Stations of the Cross, and other events that are available during the next couple weeks of Lent.
- LUNCH ACCOUNT STATUS - We still have a few outstanding lunch accounts. Please log in to School Speak to check lunch account status on your children and submit any necessary payment as soon as possible. Thank You.
- JELLY BEANS - We are down to just a few bags of jelly beans left. We are out of all-black jelly beans and malted robin eggs.
