

HOLY FAMILY SCHOOL NEWSLETTER

We are a family of HOPE!

February 26, 2021

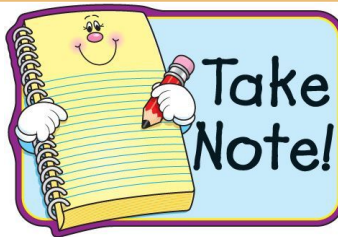

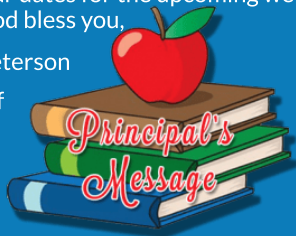

Dear Parents and Guardians,

It's hard to believe that another month of school has so quickly come to a close. It has been a busy, productive, and fun February, but it certainly started out as a cold month as well. A special thanks to all of our patrol members and the teachers and staff who supervised outdoors for bus duty and during drop off and pick up times. We appreciate all the efforts involved in finding solutions to keep all the students safe and warm on those cold days. We are happy that the warmer weather has returned and the students are once again outdoors enjoying recess and play time.

Today was CAP (Caring About People) Day at HFS. Students and staff could wear caps or hats for the day by bringing in a \$1 donation from students and \$5 or more from staff. The money collected goes to local families or organizations in need. We will be doing this the last school day of each month for the remainder of the year. We thank you in advance for helping out with this project. Also, during the month of March, donations given to the local food shelf are matched. To help stock the Sauk Centre Food Shelf, help those who are in need of food and other items, and to financially help them through the matching grant efforts, one of our Lenten projects will be to bring in items for the food shelf. The week of March 21-March 26 all students, teachers and staff are encouraged to take place in this food drive. We will send a Remind as the date gets closer.

Finally, since Springfest is next Sunday, we have included additional information about this event. The March menu and calendar was sent home today along with calendar dates for the upcoming week. May God bless you.

& Staff

Raffle Tickets - Thank you for your work and efforts in helping sell Springfest Raffle Tickets. This raffle is a large and important part of this fundraiser. Please make sure to have all **sold and unsold** tickets and money to school by next Friday so they are in before the drawing on Sunday.

SCRIP - Thank you to everyone who purchases cards through the school, to the committee members who put so much time and effort into this program and to the many businesses who sponsor SCRIP as well.

Kindergarten Round-Up - A letter with information regarding Kindergarten was sent to prospective families who have a child eligible to enter kindergarten early next week. Please remember to call the school at 352-6535 for a packet and/or additional information. Testing and school tours will be done on Tues., Mar. 30.

First Reconciliation - Congratulations to all the students who received the sacrament of their first reconciliation this weekend at St. Paul's Church. The students are now having lessons and preparing for their First Holy Communion, which will take place in April.

ON THE SIDE

Kindergarten Round-Up has a slightly different look and feel this year. Typically the parents of kindergarten-age children gather in one large group for a presentation about our school and kindergarten program and the students go to the kindergarten classrooms for projects and activities. This year a letter was sent home to families - all interested families are encouraged to call the school to request a packet, to get a link to a welcome video, to set up an individual appointment or tour, and /or to join us in a virtual meeting.

On Tuesday, March 30, we will be doing pre-kindergarten screening/testing at school for students that will be starting school this coming fall. While the children are being tested, parents also have the option to come in for a school tour, can visit or can meet with us to ask any additional questions, (that day the present HFS kindergarten students will not have school. We will put that date in our calendar and remind you as the day gets closer.)
