

February 11, 2021

Dear Parents and Guardians,

As you know we had a few confirmed cases of COVID reported at our school this week - we will continue to keep you updated. Please remember, if a person within your home has tested positive, they are considered "isolated" and the remainder of the household must then quarantine for the timeline established by MDH. If you have specific medical questions your local medical providers or the MDH can assist you with questions and concerns.

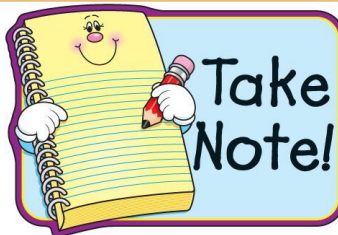

Our heartfelt thanks go out to each and every one of you for helping make 2021 Springfest such a success. We are so grateful to the Springfest chairpersons, committee heads, teachers and staff, the business community and organization and individual donors who so generously gave of their time, talents and treasures for this event. Parents, parishioners, community members or people near and far bid on items, sold or purchased raffle tickets, and financially or spiritually supported Springfest. While we were unable to physically gather together, we were certainly united in cause and spirit. Working together we not only reached, but surpassed our goal of \$80,000. Our Springfest 2021 total was \$95,000! Here are some approximate totals from different aspects of Springfest:

- Candy Sales - \$9,000
- Soup/Chili Sales - \$ 6,000
- Children's Game Day - \$1,700
- Raffle Sales - \$24,800
- Donations - \$8,500
- Auction/Basket Items - \$ 45,000

This is truly amazing; we are humbled, moved, and filled with gratitude. Thank you!

May God bless you,

Mrs. Peterson  
& Staff

**A message from Gretchen Christen** - an HFS parent who spearheaded the touchless water fountain project for our school...

I would like to express my deepest gratitude for everyone's contribution. Your donations are very important to all who are a part of our amazing Holy Family School. We were able to give the school six brand new touchless water fountains. This would not have been successful without the generosity of our community here in Sauk Centre. Your personal commitment was incredible and allowed us to reach our goal.

Sincerely, Gretchen Christen

**(We would also like to thank Gretchen and all those who contributed to this project for our school!)**

## 2021-2022 REGISTRATION

It's that time of year again for student registration. Each year we ask families to complete registration documents to determine which students will be returning to HFS for the next school year. Today we sent home some materials (which is the first step of the registration process) for the 2021-2022 school year that need to be filled out and returned to HFS no later than March 31.

In addition to the paper forms and registration fee that need to be returned, we also ask all families to log in to School Speak and click on "2021-2022 Registration" and make any necessary updates or changes to profile information for your family.

To ensure your child will be added to a class list, we are asking for the following:

1. \$75 Family Registration Fee
2. Faith-Based Covenant Form
3. Smart Tuition Form
4. Profile Update on School Speak

The above items must be completed and submitted to our office no later than March 31.

Thank you!
