## A NOTE FROM MRS. PETERSON

Dear Parents and Guardians,

This past Sunday was special, sunny and beautiful for all the students who made their First Holy Communion. We congratulate all the students from our parishes who received this sacrament for the first time. May the joy and splendor of receiving the Body and Blood of Christ for the first time be with you every time you receive Holy Communion. A special thanks to the teachers, parents, leaders and fellow students who helped the students prepare for this sacrament.

As the school year begins to wind down I would like to take a moment to thank all the fifth and sixth grade students. They sign up for various community and school service projects and they lend a hand wherever needed throughout the year. These students serve at mass, are AV helpers, roadrunners, host and hostesses, candle bearers, playground assistants, recyclers, chapel club members, and patrol members. The jobs they perform assist the school and all of us. We are grateful for all that they do.

This Sunday is Mother's Day. The students, teachers and staff send their thanks, love and prayers to all the Mothers and special women who have nurtured, and guided their children with faith and love. May you have a very special weekend, may you enjoy a special "catch of the day" during this opening fishing weekend, may you feel loved and appreciated and may God bless you with a very Happy Mother's Day!

With prayers and thanks,

Mrs. Peterson and Staff at HFS

## *OTHER IMPORTANT NEWS*

- Assembly on Monday - The ventriloquist assembly, "The Talking Dog" will be this coming Monday morning from 9:00 - 9:45. After our students arrive at school and attendance is taken, we will all be bussed to the public school at 8:45 for the assembly and will be bussed back to our school after the performance by 10:00. Please be aware of these times in case you need to pick up your children for any appointments, etc. on Monday.
- Parent's Day - As you know, we will be celebrating parent day on Wednesday, May 22. Many of you already signed up and paid for lunch earlier this year so your meal has already been paid for. If you are not sure if you already paid you can call and we can look it up. The outdoor grill and picnic lunch will include hotdogs, hamburgers, fruit, potato chips, potato salad, beans and a cookie - ice cream will follow. If you didn't sign up because the original date didn't work for you but this one will, please join us. We are also asking families to bring lawn chairs, blankets, etc. that day for the outdoor mass and picnic. We are anticipating the festivities to be over between 1:30 and 2:00. If you wish to take your students home at that time, please let the teacher know.
